Stockings for the Holidays

Over 140 stockings were delivered to inpatients at our medical center during the holiday season. Our generous employees donated stockings filled with items such as puzzle books, toiletries, gloves, hats and socks.

Each year the response from our staff is overwhelming. This generosity creates excitement, big smiles and appreciation from our hospitalized Veterans and their families. Thank you to all the employees who helped make our Veterans’ holiday season a bit more festive this year. This small gift for our Veterans is our way of saying thank you for your service.

Safeguarding Your Veteran Identification Card (VIC)

Veterans are warned to keep their VIC safe and secure. Some bar code readers, including those available as applications on cell phones, can scan the bar code on the front of the card, and reveal the Veteran’s social security number. This could make the Veteran subject to identity theft if the card is lost or stolen.
